

# Umsobomvu Values Charter

**"We are driven by our belief in the infinite potential of young people"**

## We will....

1. We will embrace diversity, respect each other and uphold dignity in all our actions
2. We will work together as a cohesive team at all levels
3. We will ensure an environment that is conducive to personal well-being and growth, professional development and organisational learning
4. Our actions will reflect professionalism and integrity in relation to all our stakeholders
5. We will strive for excellence and innovation in all we do
6. We will commit to focus on young people
7. We will use resources optimally in the execution of our duties

## We will not....

1. We will not conduct our business in a manner that compromises our organisational principles and contradicts our mandate
2. We will not create or contribute to an uncondusive work environment
3. We will not stifle open communication
